Preface

It's Spring Vibes time!
From March 2 – March 7, 2016, Wuppertal turns into the capital of vibraphone-playing! We are proud to announce the European vibes-workshop “Spring Vibes” for the 4th time. Six days of vibraphone, music, creative impulses and a chance to meet musicians of any level, from beginner to professional. WOW!

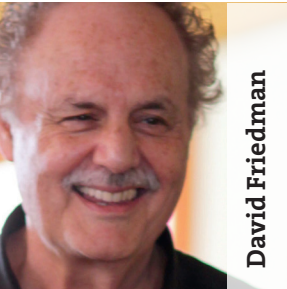

“Spring Vibes” offers its participants the opportunity to play music together, to improvise, to learn, to teach, to practice effectively, and to listen.

This year's team of instructors comprises nine internationally renowned vibraphone players. We are happy to welcome David Friedman, Tony Miceli, Pascal Schumacher, Behn Gillece, Mathias Haus, Alexej Gerassimez, Florian Poser, Mario DeCiutiis and Matthias Goebel. Masterclasses for these six days include a wide range of styles including traditional jazz, bebop, world music, electronic, classic and free improvisation. Each day ends with an exciting concert by our master clinicians that's open to the public (free admission for participants). We are looking forward to a week of inspiring musical experiences and encounters!

“Spring Vibes” is a co-operation between the Mallet-Institute / Düsseldorf, VibesWork-Shop/ Philadelphia, and the Hochschule für Musik und Tanz Köln, Standort Wuppertal. Looking forward to seeing you,

Matthias Goebel, Tony Miceli
Art Directors of “Spring Vibes”

“A vibraphonist of astonishing virtuosity, musical resilience, and inventiveness. His vibes playing is nothing short of phenomenal.”

“... is a skillful creator of tunes, harkening back to original hard bop days and beyond, without sounding like mere imitations of that era's classics.”

Bruce Lindsay, All About Jazz

“Mr. MalletKAT, he will introduce the possibilities and use of the MalletKAT.
